1	0.0209	13,385	583064.607

Legend

Municipal Boundary	Status
Parcels	Drillable
Oil and Gas Recovery District	Not Drillable < 3.5 Acres
Floodplains	Not Drillable

Act 13 Results

Act 13 results were calculated by buffering streams by 300 feet, parks and conservancy reserves by 300 feet, buildings by 2000 feet, and properties with wells by 500 feet. Well properties were calculated from a center point of a property and not using the location of the well of properties believed to have a well.
